## 26' ELEMENT

Introducing our 26' Element catamaran, a unique blend of speed and versatility.

This vessel is available in three configurations:

- Center Console Landing Craft (shown)
- Cuddy Cabin with Bow Stairs
- Walk-through Cabin Landing Craft

Built with heavy-duty aluminum, this boat is designed to handle rough seas and provide a smooth ride. Equipped with twin 200HP engines, it provides a fast and powerful boating experience. The landing craft configuration makes it easy to offload cargo and passengers on shore. Upgrade your boating experience with our high-performance and comfortable 26' aluminum catamaran. Get in touch for more information on how to order this incredible custom-made vessel.
