

SUPER SKIFF 1600

From island hopping to exploring, from family fun days to fishing derbies, this versatile commercially built pleasure craft can do it all.

Designed to navigate any waterway, our Super Skiff blows away the competition with the quality and attention to detail that you won't find anywhere else.

With a fuel efficient 60hp engine and the ability to be towed by most family vehicles, all you need to do is pick your custom colour and get on the water!
